"This book is a MUST read! Dr. Rouse has done it again! She is an incredible role model for showing young women that there's more to being a woman than just incredible beauty; she not only has that in great abundance, but she also has brains, passion, tenacity and power to make a difference. Dr. Rouse is what is needed today for our young African-American Queens."

Dr. Samone M. Smith-Brown
Permit Psychologist, Certified Life Coach, Motivational Speaker

"An amazing compilation of practical topics that many African American girls may encounter as they navigate issues related to social/emotional and academic development. Dr. Rouse's strategy of untangling these issues through the use of an understanding coach-tone approach has made this book a 'must have' for young girls."
